### Materials

6 sheets of solid Bazzill cardstock  
3 sheets of patterned paper  
1 peel off's outline sticker sheet (Harmonie's Halloween No. 3380 silver)  
50 cm ribbon  
1 fold-back clip (the black ones)  
Double-sided adhesive  
Stix2 Ultra Clear glue or Tacky Tape (1/4 or 1/2)  
Stix2 Micro Dots  
Black INK  
Black pen

### Required tools :

Paper trimmer  
Scoring blade for your trimmer  
Crop-A-Dile or other eyelet setter  
Round punches - 1 1/4" and 1 1/8"

### Step 1 – The base

Bazzill 1 : for one sheet: 7 X 12 (2x) folded at 2, 2 1/2, 7, 7 1/2. For the other, score at 1/2 and glue this part at the end of the previous. From the 7 1/2 fold (on the first sheet of cardstock) trace a pencil mark (too long to do this directly with the trimmer) at 4 1/2 , 4 7/8 , 9 1/4 , 9 1/2 ; from the 9 1/2 mark, make one last mark at 4 1/4 and cut that part. Now, you can fold your cardstock with the scoring blade in your trimmer.

Bazzill 1 : 4 1/2 X 12 (4x) : 2 folded at 6 7/8 and the other 2 at 7".

Bazzill 1 : 1 X 4 ½ (4x) fold in 2 and glue the ends (between the folds, from the 2 ½ mark) the fold on the outside. Glue the first flap (4½ X 12) on the cardstock (1 X 4 ½) on the right, the shortest part on the inside and on the other side, the longest part on the inside (right side closes underneath the left side)

- Repeat this process on the second fold, but in the opposite direction, i.e. right side, longest part of the flap on the inside, and on the left, the shortest part of the flap on the inside (left closes under right)

Bazzill 3 : one last flap for the last fold. 4 ¾ X 7 fold at ½ in the 7" and glue to close to the last fold.

Make 2 – 1/8" holes with the Crop-A-Dile, insert the closure and secure it to the back using Stix2 glue to make sure it's solid. Glue a border of Pattern A :  $1 \frac{3}{4} \times 6 \frac{1}{2}$  (The rest of this paper can be cut into various sizes, according to the direction you cut your sheet in) to the back of the flap.

Tie the ribbon on the closure using Stix2glue and keep a good length. Cut. Glue the other part of the ribbon. At the back of the album, from the top, pass to the front and tie into a pretty bow.
